

**SITE PLAN REVIEW FEES
GROUND-MOUNTED SOLAR PHOTOVOLTAIC INSTALLATIONS**

**ADOPTED BY THE
BOARD OF PLANNING AND COMMUNITY DEVELOPMENT
FEBRUARY 8, 2018**

.025 cents per square foot with a maximum of \$6,000.00 for all Ground Mounted Solar Photovoltaic Installations except for municipally or state owned facilities.*

*** - If public hearing is required, the applicant is responsible for the cost of mailing postage and legal ads, the amount of which is to be determined by the Town of Athol. Postage costs will vary depending on the number of project abutters. Legal ad costs are based on the length of project description. Site Plan Review applications shall include a certified list of abutters signed by the Board of Assessors with business size envelopes, stamped and addressed to each abutter. Site Plan Review permit approval is contingent upon full payment of funds from outstanding bills/invoice from the Athol Daily News for the legal ads and any postage costs.**
